

THE HAMPTON... Townhome

2 Bedrooms // 2.5 Baths // Approx. 1,312 sf

Our largest floor plan is a dream to be shared by the entire family. The spacious kitchen has plenty of room for a breakfast table close to the sunny window. The enormous living/dining rooms open to private outdoor space. Just steps below, you'll discover a huge family room plus a laundry/storage room with washer and dryer connections. The upper floor showcases a bedroom suite with its own large half bath along with a second bedroom, which is located directly across from a full bath. Truly, The Hampton is an amazingly easy living townhome.
